

Application for Recertification by Mutual Recognition

This form is to be used by candidates for recertification without examination for any NDT method and industry or product sector.

All candidates for ENISO9712:2012 qualification are required to fulfill the conditions for eligibility specified in the current edition of Manual and the scheme documents.

Eligibility is defined in terms of visual acuity and colour perception, training, and experience. Attention is drawn to opportunities of mature candidates who may satisfy special eligibility criteria. Candidates will be required to supply verifiable evidence of satisfying all special eligibility criteria and the following forms and documents may be used in recording and providing such information in an acceptable format.

- Record of pre-certification experience
- Eye Fitness Form

Initial enquiries for examination may be made to our head office by telephone or email. However, no appointment may be considered confirmed until a correct completed application form and supporting information has been received. Applications shall be legibly completed.

Once completed, this application form and supporting information shall be submitted to us together with relevant payment information or recertification fees. One application form is to be submitted in respect of each examination applied for. Candidates will need to provide two passport size photographs together with application.

Applications depend upon the individual holding (or having held) appropriate certification must be supported by acceptable evidence of such certification. If a photocopy is attached to this application as evidence, the candidate will be required to show the original on the day of examination.
