NDTSS/NANDTB/IA/01 (Issue 3) – Listing of Approved Inside Agency

The Criteria for assessment and NDTSS/NANDTB's approval of Inside Qualifying Agencies is published in NDTSS/NANDTB/IA/02.

Organisations that have satisfied all prerequisites for approval under the scheme will be formally approved by NDTSS/NANDTB to deliver specified services and for qualification of NDT personnel against EN 4179, AIA-NAS-410 and other criteria.

This issue reflects the recommendations of the NDTSS/NANDTB to separately list the NDTSS/NANDTB approved Inside Qualifying Agencies. Inside agencies are required to fully satisfy NDTSS/NANDTB criteria for approval of training and examinations.
