Title : SNANDTB Advisory Circular AD-001

Subject: BS EN4179:2026

Document Reference: NDTSS/NANDTB/2026/002

BACKGROUND:

The latest revision of EN 4179 is BS EN 4179:2026, published on 28 February 2026.

ACTION:

The SNANDTB has agreed a period of six (6) months from 28 February 2026 to make BS EN 4179:2026 effective. This will become auditable on 28 August 2026.

Personnel certified to previous revisions of EN4179 need not recertify to the requirement of EN4179:2026 until their current certification expires.

Grace Liang
